
Stora Lognen Och Sanningen Femton

per olov enquist: ett liv mellan roman och självbiografi - frågan och hävdade att självbiografin såtillvida som litterära konstruktion är fiktion i alla väsentliga hänseende. det är den här synvinkel som jag tänker utgå ifrån. forskningsprojekt - skede 2 därefter tänker jag ägna mig åt de senaste nordiska forskningarna i självbiografin, som delar sig i stora drag i två olika fält: - studier som ifrågasätter lejeunes begrepp av ... **kenth-Åke andersson om moskvarättegångarna** - conquests bok den stora terrorn, som bygger mycket på andrahandskällor. kÅa återger t ex conquests siffror för "den stora terrorns" omfattning, som conquest fått fram via andrahands-källor och beräkningar som bl a bygger på befolkningsstatistik och som därför är osäkra. sovjetarkiven har inneburit att vi idag vet mycket mer om detta. givetvis är även dessa upp-gifter ... **en enad förort - uu.diva-portal** - det sannolika, snarare än sanningen och verkligheten. "verkligheter" måste därför snarare ses "verkligheter" måste därför snarare ses som en produkt av retorn, som denne skapar.
